Ben Dunham and wife are to appear and give a free exhibition on the trapeze, aided by William Farine, the young Pensacola athlete.

FUNERAL WILL TAKE PLACE TO-DAY

The funeral of the infant son of Mr. and Mrs. G. W. Miller, who passed away on Friday, will take place this afternoon at 3 o'clock from the home at No. 915 East Gadsden street, interment to occur in St. John's cemetery.

The little one was but a few months past two years, and its death has proved a shock, indeed, to the household which it had brightened with its being during the short time which it had been allotted to earth. The mother of the baby is also very low.

ARE YOU A QUALIFIED VOTER

M'LELLAN CANDIDATE FOR COUNTY COMMISSIONER FROM DISTRICT NO. 1, BELIEVES IN A MORE THOROUGH AND BUSINESS-LIKE CONDUCT OF THE COUNTY'S AFFAIRS.

To the Voters of District No. 1, embracing Precincts 12, 13, and 26:

In this district there is registered a total of 742 qualified voters, and if the district should vote its full strength, it would necessitate the support of 372 of these voters to nominate a candidate in the first primary to be held May 10, 1910.

I believe there are that number of voters in said district who will vote for a candidate that pledges himself to work tirelessly for the interest of every citizen in Escambia county in the conduct of the business of the Board of County Commissioners. I am asking, most respectfully, the vote of every man in the district who desires to have a "live wire" in the Board of County Commissioners, and one who promises faithfully to perform the duties of the position to the best interests of every citizen of the county.

I have a thorough knowledge of hard work and have an intimate acquaintance with hardships.

I am Democratic, industrious, ambitious and qualified to perform the duties of the office.

I am alive to the interests of the people of the entire county.

I believe in being an officer for the people—not an officer over and above the people.

I most emphatically believe in economy in the expenditure of public funds, consistent, of course, to the actual demands of legitimate expenses of the county.

I stand for the development of the industries of Escambia county and the progress and prosperity of its people.

Am opposed to all mis-use and abuse of official power, and dishonesty and corruption in public office.

I am against lavish expenditure of public moneys.

I am against everything that has a tendency to retard the material, intellectual or moral welfare and development of the county and its people.

I want to be elected. If you favor me with the office, I will exert myself to keep faith with the people and try to make them glad they voted for me.

I want every vote I can get on May 10, and will try to fulfill every requirement of the office, if elected.

JNO. O'DONOVAN EXPIRES AFTER LONG ILLNESS

LONG-TIME RESIDENT OF PENSACOLA PASSES AWAY—SURVIVED BY MANY RELATIVES.

John O'Donovan, 57 years of age, who had been ill for a long time, and who was forced to resign from the city's service on account of continued illness, passed away yesterday at 3:45 o'clock in the afternoon. Mr. O'Donovan had resided in Pensacola for many years, and had a large number of friends, who will be pained by this announcement of his death. It has been known for some days that he was fast sinking, but his death will nevertheless be learned of with deep regret.

The funeral will occur this afternoon at 3 o'clock from the house, the services to be held at St. Michael's church and the interment to be made at St. Michael's cemetery.

Mr. O'Donovan is survived by his wife, nine children, one brother and three sisters. He was born in Limerick, Ireland, on March 17, fifty-seven years ago, but spent the greater part of his life in the United States, living for many years in Pensacola. His brother, Patrick O'Donovan, resides in Quebec, Canada, and his three sister reside in Chicago. His sisters are: Mrs. Tom McMahon, Mrs. Joe Wilson and Mrs. Fred St. Haller. His children are: Mrs. Mamie Sanchez, John, Reuben and Leonard, Misses Stella, Katie, Albert and Genevieve O'Donovan and Mrs. Albert Nobles. One of his sons, Leonard, is in the navy and is stationed aboard the gunboat Eagle, now off the coast of Cuba on survey duty.

The deceased was a member of the S. B. A., the Cotton Screwmen and the Veteran Volunteer Firemen's Association. For some years he had been a valued employee of the city, having been one of the city's inspectors throughout the entire work of putting in the new sewer system in this city. Very recently he was forced to resign because of failing health, and when the board of works

accepted the resignation some good words were said about his past good services.

Firemen to Attend.
Notice was issued last night for the Volunteer Firemen's Association to assemble at the home of the late John O'Donovan, No. 224 West Main street, at 2:30 o'clock, for the purpose of attending the funeral of their comrade in a body.

BOOSTERS OUT IN FULL FORCE

HARRY E. WRIGHT SAYS MANY COMMERCIAL ORGANIZATIONS HAD REPRESENTATIVES AT MOBILE—MUCH TALK OF PENSACOLA.

H. E. Wright, of the Pensacola Investment Co., spent the past week in Mobile during the reunion, spreading literature, speaking good words and boosting Pensacola. Mr. Wright in speaking of his work said that he came back more than ever satisfied with the idea that Pensacola has an assured future that will place her on an equal with any southern city.

"It made no difference with whom I talked or from what state they came," he said yesterday, "they were all conversant with the wonderful strides that Pensacola is making. Almost every city of any importance from Louisville to New Orleans was represented there by men who were advertising and boosting, and putting out literature that could not fail to help their respective towns. No, they were not representatives of real estate firms, but were secretaries of commercial clubs and assistant secretaries of Chambers of Commerce. In fact I met and talked with almost every representative there and found none but whom were representing some business club of their city, and were distributing literature that had been furnished by those various organizations."

"Yes, almost every one seemed anxious to get Pensacola literature, and many requested that we mail them other literature relative to Pensacola and West Florida, but they all seemed surprised, having heard of the boosting qualities of Pensacola's citizens, that our business organizations were not represented."
